

# Community Report

## November 2017

Time Out Hotel, located in St. Lawrence Gap, Christ Church, is committed to doing its part to help their community.

By getting involved in our community, allows our hotel to supporting local business, and by re-imagining where we live, we can green not only our own lifestyles, but our streets, neighborhoods, towns, cities and, ultimately, our societies.

Our entire team at Time Out Hotel, is from Barbados and we support the Variety Club, which is a children's charity. We are proud members of Pack for a Purpose, an initiative that allows travelers like you to make a lasting impact in the community at your travel destination. Our guests are encouraged pack and bring supplies for area schools in Barbados. We have donated over 115 pounds of supplies to this charity and it is a priceless impact in the lives of our local children and families that really need our help.

We also have partnered with I LOVE THIS ROCK, which is run by Patrick Moufarrige who has created a neighborhood community in St. Lawrence Gap - <https://www.facebook.com/thegapbb/> By being a part of this group we have been able to create awareness of what we are doing in the gap and attracting locals and tourists who aren't even staying in the gap to come and visit us! By doing this we help increase the foot traffic and the local community!

In the Summer of 2017, we also supported our regional community by encouraging our guests and staff to donate for the countries which were devastated by Hurricane Maria, Irma, and Jose. Our Hotel donated water, food, pampers, sanitary items and box juices.

We have our community at heart and would continue to work together with our communities!
